

1. Optimising You

Let's ensure that your staff realise the full extent of their professional superpowers.

Personality Plus

There are several aspects of an optimised personality. After this Skillpod your staff will better understand theirs, particularly:

- Altruism to Egoism
- Introversion to Extroversion
- Curiosity to Certainty

The Middle Ground

Staff work best when they inhabit that middle ground where they are both compassionate and assertive in a work situation. We explore practical ways to achieve this.

Couldn't Be Easier

Okay, so how do you make all this great stuff happen? It's easy, just contact me on lene@glassceilingproject.com.

"It's obvious Lene's goal is to help, nurture and guide aspiring leaders – and she does a great job of it too."
