

6. Speaking Powerfully

The ability to speak clearly, directly and compassionately is a powerful professional soft skill.

Say What You Mean but Don't Say it Mean

Learning to speak intentionally, not impulsively, in high pressure situations is a skill that takes time to achieve. This Skillpod provides your staff with the fundamentals.

Networking with the Best of Them

How best to start a conversation with strangers? We are here to help.

Tools to Achieve Your Goals

By the end of this Skillpod your staff will understand what the psychology of sorry is, how to maintain their boundaries, what a stop word really means and how to take a step beyond traditional mirroring.
